Palm Tran Hosting Open Houses for Public Comments

Palm Tran is hosting several open house events for public comments that will help guide bus service changes in the future. The Route Performance Maximization (RPM) project seeks to utilize public feedback to create improved travel times, more direct bus service and an overall better customer experience. Based on public feedback, plans will be developed that will ultimately be presented to the Board of County Commissioners for consideration. Service changes could be implemented as soon as this fall. Everyone is encouraged to share their ideas and comments at these open house events:
