Delray Facility

Palm Tran celebrated the grand opening of its new headquarters with a ribbon-cutting ceremony and an event themed "New Day, New Way, in Delray!" The 34,000-square-foot facility features cutting-edge technology and provides the agency with the initial infrastructure to charge fully electric, zero-emissions buses. There is a large public meeting room inside that will host upcoming Palm Tran Service Board meetings. The state-of-the-art building is located near the corner of Atlantic and Congress Avenues in Delray Beach and boasts a 2,000-square-foot mural made of small, hand crafted tiles.
