Get the CombatCOVID-19 Palm Beach County App

PBC CombatCOVID
100% Privacy Protected
No One's Name, Address, or Email is required.
Stop the spread of COVID-19 by simply turning on your Bluetooth!

How CombatCOVID Protects Your Privacy
The app user's privacy and identity is protected. No names or addresses are required.
The device's phone number is encrypted and never revealed to anyone.
All data and information about the device being in close contact with another device is ONLY stored on your phone.
Access to the data indicating the device's user may have been in contact with a COVID-19 positive person.

Set up app permissions
Select "Yes" or "Allow all the time" in the next few screens.
1. Bluetooth Usage
2. Location Permissions
3. Battery Optimizer
Some devices need Location Permissions for Bluetooth to work. We don't have access to your actual GPS location.

Happy 50th Anniversary Palm Tran

Palm Tran proudly celebrated its 50th anniversary with the opening of a new headquarters in Delray Beach. In 1971, the Palm Beach County bus system started under the name Florida Transit Management Inc., with a fleet of only 20 buses for seven routes. In 1980, the company rebranded and was known as CoTran. It wasn't until 1996 that the bus system was launched again as Palm Tran. Today, Palm Tran has 159 fixed-route buses running on 32 routes.
