## TSA Mask Mandate Still in Effect

In light of Governor Ron Desantis' order to lift local COVID-19 mandates, Palm Tran Public Transportation wishes to remind the community the Transportation Security Administration (TSA) mandate requiring masks on public transit remains in effect. Passengers of Palm Tran, Palm Tran Connection paratransit service and the Go Glades dial-a-ride service must wear their masks at all times.

While masks remain required while utilizing transit, Palm Tran will restore full bus service to the community starting Sunday, May 9, 2021. The buses have been operating on a limited schedule since summer of 2020. New schedules are available at: [www.palmtran.org](http://www.palmtran.org), under the "Our Services" tab. Palm Tran will also increase capacity on vehicles starting next week.

The community is encouraged to monitor [palmtran.org](http://palmtran.org), download the Palm Tran app and subscribe to text message updates by texting "Ride" to 797979.
