An employee who accrues 7.7 hours biweekly will be allowed to carry over the 160 hours to a maximum 200 hours, provided they bid a minimum of one (1) full week during the yearly vacation bid.

SECTION 4. ANNUAL LEAVE ACCRUAL: The number of hours of Annual Leave an employee earns during a year is based on the length of continuous employment with the COMPANY as indicated below:

FULL-TIME EMPLOYEES: If the Length of Employment is:

5 scheduled work assignment on authorized Annual Leave shall be paid and have their
6 Annual Leave balance reduced by eight (8) hours per day for a five (5) day scheduled
7 work week and ten (10) hours per day for a four (4) day scheduled work week. Annual
8 Leave may not be taken in less than whole shift or "Run" increments.
9

10 Employees may not use Annual Leave/Vacation to supplement loss of pay due to
11 suspension.
12

13 **SECTION 6. VACATION BIDDING:** Vacations will be bid by Total COMPANY
14 Seniority within each Section. A vacation bid will be posted during the month of
15 December each year for vacations in the upcoming year. Employees may bid vacation
16 in whole week increments (40 hour increments) up to the amount of their accumulated
17 Annual Leave/Vacation balance. The Employee must have sufficient balance accrued
18 two (2) pay periods prior to the start of the bid vacation week. Once vacations are bid,
19 employees may not alter, change or trade vacation weeks. Employees who exhaust
20 their accrued vacation leave on sick and/or FMLA prior to their vacation bid week(s)
21 must opt, two (2) pay periods prior to the vacation bid week(s), to either take the
22 vacation bid week(s) without pay or partially without pay, or forfeit the bid vacation in its

35

36 The doctor's statement must be acceptable to the Palm Beach County Occupational
37 Health Clinic and Palm Tran before Annual Leave hours will be switched to paid Sick
38 Leave hours. If an employee does not have sufficient Annual Leave balance to cover
39 the entire week for which they bid vacation when the week becomes due, the employee
40 will not be allowed off on unpaid leave and the employee will be required to work their
41 normal schedule. If a bus operator "Run" has been bid for a "Hold Down" for the
42 vacation week and the employee is not allowed to take the vacation week, then the
43

26 sole discretion of the COMPANY based on the available work force and for the day
27 requested, provided however, that:

34 2. that a maximum of two (2) employees in the Maintenance Division
35 on each shift and in each operating facility will be allowed off on

15 three (3) consecutive work days excluding days off. Employees who submit a request
16 for Unscheduled Annual Leave for an open day(s) and provide a minimum of three

ARTICLE 22
SICK LEAVE & SICK PAY

SECTION 1. DEFINITION: Sick Leave is defined as time-off from work for doctor and dental appointments, illness, hospitalization or extended sickness of the employee or member of the employees' immediate family. Employees must be in a paid status for a minimum of forty (40) hours during any biweekly pay period in order to accrue sick leave for that pay period.

For purpose of this Article, immediate family is defined as the spouse, registered domestic partner, child, step-child, legal guardian of the employee, parents or step-parents of the employee, **any of which, must reside full time in the employees domicile.**

SECTION 2. SICK LEAVE ACCRUAL: Employees shall accrue Sick Leave hours at a rate of 3.8 hours per pay period up to a maximum accumulation of one thousand (1000) hours.

For new employees Sick Leave accrual shall begin on the first calendar day of the employee's first full payroll period and biweekly thereafter.

SECTION 3. USE OF ACCUMULATED SICK LEAVE: Employees who have an accumulated Sick Leave balance will receive **paid** time-off using their accumulated Sick Leave beginning on the first (1st) day of their absence. Once an employee has exhausted their accrued sick leave balance, their accrued vacation leave will be charged prior to leave without pay. Employees may use accumulated sick leave for prearranged doctor and dental appointments with forty-eight (48) hours notice to the dispatcher and proof of the visit upon their return to work. Absences due to doctor's appointments of four (4) hours or less shall not count as an occurrence. All employees are urged to make every attempt to schedule doctor's appointments during their time off. Absences for medical appointments that have not been requested within the above time limits shall be counted as an occurrence.

All Sick Leave hours paid will be at the employee's current straight-time rate of pay.

If an employee is off on Sick Leave due to the sickness of a qualified immediate family member as defined herein, which exceeds three (3) consecutive calendar days, the employee must present acceptable documentation to the appropriate Supervisor within three (3) days from returning to work in order for the absence to be excused and/or paid if applicable.

SECTION 4. Under no circumstances may employees use accumulated Sick Leave to cover the following:

The day before or the day after a scheduled vacation or during a period of

1 Article 22: Sick Leave & Sick Pay

2 Page -2-

3
4 vacation, unless at the sole option of the COMPANY the illness is documented
5 and excused by the appropriate Division Director within five (5) days of returning
6 to work.
7

8 **SECTION 5. FAMILY MEDICAL LEAVE ACT (FMLA):** Under the provisions of the
9 Family Medical Leave Act, qualifying employees are permitted to be off for up to twelve
10 (12) weeks per year for illness of themselves or an immediate family member. The time
11 off on FMLA may be paid or non-paid leave depending on the employees Sick and
12 Vacation Leave balances. Employees who are absent for a serious health condition
13 more than three (3) consecutive calendar days will be placed on a conditional FMLA
14 status. Employees must exhaust all available Sick and Vacation hours prior to being
15 placed in a non-paid FMLA status. If an employee is absent on un-paid FMLA the
16 COMPANY will maintain, at the COMPANY's expense, the health insurance premium
17 for the employee.
18

19 The COMPANY will also provide the COMPANY's share of the dependent coverage, if
20 applicable, provided the employee has furnished the COMPANY the employee's share
21 of the premium for dependent coverage when the premium is due.
22

23 **SECTION 6.** Paid Sick Leave hours shall not count toward hours worked for the
24 computation of overtime.
25

26 **SECTION 7.** The COMPANY reserves the exclusive right to require a physician's note,
27 which will provide the COMPANY sufficient information regarding the diagnosis of the
28 employee's illness. All employees absent for more than three (3) consecutive work
29 days shall be required to report to the Palm Beach County Occupational Health Clinic
30 with a physician's statement for clearance before they can return to work. The
31 physician's statement should include the reason for the absence and the date the
32 employee can return to work.
33

34 Operations employees must bring the return to work documentation from the Clinic to
35 their immediate Supervisor by 11:00 a.m. the day prior to the day reporting back to
36 work.
37

38 Maintenance employees must bring the return to work documentation from the Clinic to
39 their immediate supervisor on the day prior to the day reporting back to work.
40

41 Should it be determined that an employee is taking Sick Leave under false pretenses,
42 the time-off shall be without pay. The employee will also be subject to disciplinary
43 action.
44

45 **SECTION 8.** Employees hired prior to 10-1-1997 who retire under the COMPANY'S
46 retirement plan, will receive payment at their current rate of pay for twenty-five percent

1 Article 22: Sick Leave & Sick Pay

3
4 (25%) of their accumulated Sick Leave balance. Employees hired on and after 10/1/97
5 will receive payment for ten (10%) percent of their accumulated Sick Leave balance
6 upon retirement. Employees who are terminated or leave the COMPANY prior
7 to retirement, shall not be eligible to receive reimbursement for any accumulated
8 Sick Leave balance.

9
10 **SECTION 9.** Each time an employee is out sick will count as one (1) sick occurrence.
11 Employees who accumulate nine (9) sick occurrences or a maximum of twenty-five (25)
12 days sick in a rolling calendar year will be afforded a pre-termination hearing prior to
13 termination for excessive absenteeism.

14
15 Corrective disciplinary action will be administered according to the following schedule:

16
17 Number of Sick Occurrences

18
19 1st, 2nd, 3rd, 4th, 5th No Action

20
21 Disciplinary Actions

- 22
23 6th Written Warning
24 7th Final Written before suspension
25 8th One (1) day suspension
26 9th Pre-Termination Hearing

27
28 Notwithstanding the foregoing, an employee who is absent for twenty-five (25) or more
29 days in a rolling calendar year shall be afforded a pre-termination hearing prior to
30 termination for excessive absenteeism.

31
32 Upon ratification, and for the duration of this contract as specified in Article 49, all current
33 employees will revert to zero (0) sick occurrences on a one-time basis.

34
35
36 Patterns of Abuse

- 37
38 (1) Notwithstanding the occurrence schedule above, if an employee exhibits a
39 pattern of abusive sick leave usage it will be deemed as an intent to
40 circumvent the Sick Leave Article. The employee will be subject to
41 discipline.

42
43 Examples of abusive sick leave usage include, but are not limited to, being
44 out on the same day of the week; calling in sick at the beginning or end of
45
46

1 Article 22: Sick Leave & Sick Pay

2 Page -4-

3
4 the work week on a regular basis; calling in sick before or after scheduled
5 vacations or annual leave days.
6

7 (2) If an employee exhibits a pattern of repeated Sick Occurrences at level
8 eight (8) or above within a rolling twelve (12) month period, (even if the
9 employee drops below level eight (8) at some point during this period), it
10 will be deemed as an intent to circumvent the purpose of the Sick Leave
11 Article. For example, an employee reaches his/her eighth sick occurrence
12 or above, has one or more sick occurrences roll off (i.e. drops to seven sick
13 occurrences or below), then experiences additional unexcused absences,
14 which causes the employee to reach level eight or above again for a
15 second time within a rolling twelve month period. If this occurs, it will be
16 deemed a pattern of abusive sick leave usage and an intent to circumvent
17 the Sick Leave Article. The employee will be afforded a Pre-termination
18 hearing prior to termination for abusive sick leave usage.
19

20 (3) Notwithstanding the occurrence schedule above, employees who have
21 three (3) consecutive "No-call, No-Show" events shall be placed in an
22 unpaid pre-termination status. Once placed in the unpaid pre-termination
23 status, the employee must contact the COMPANY within three (3) days. If
24 the employee fails to contact the COMPANY within three (3) days, the
25 employee will be sent notice for a pre-termination hearing.

SECTION 3. Time off for the death of a relative (as defined in Section 1 (B) herein) other than the employee's immediate family may be granted from the employee's accumulated Annual Leave based on the operational need of the COMPANY and will not be unreasonable denied. Annual Leave usage for death of a relative may be granted for a period up to five (5) days.

SECTION 4. The COMPANY requires proof from employees of the death and the employee's relationship to the deceased on a form to be provided by the COMPANY. If proof is not provided within two (2) weeks after payment of the leave the time paid will be deducted from the employee's paycheck.

17

18 **SECTION 4. EXTRA-BOARD WORK:** "Runs" not bid upon; open as a result of sickness
19 or other non-scheduled absence; pieces of work not bid by part-time operators; special
20 service work or any other work shall be assigned to the "Extra-Board".

8 determined by the COMPANY. If a "Relief" is to be accomplished by means other than by
9 utilizing another bus out of the operations facility, the COMPANY will provide the vehicle
10 to transport the "Relief" operator to/from the transfer locations and pay travel time to
11 the relief point in accordance with the provisions in the Article addressing Time

ARTICLE 26
SELECTION OF "RUNS" AND SHIFTS

SECTION 1. When the COMPANY'S work facilities are located at more than one (1) site, all employees will be allowed to bid at least annually in December on the facility at which they desire to work. The number of employees and number of classifications by shift for each different work location will be determined by the COMPANY and posted in Operations and Maintenance for a minimum of ten (10) days prior to the start of the bid. Once the bid has been completed, employees will be required to work at that facility for an entire year unless a reduction of service or a shortage of workforce at one (1) facility requires the company to re-evaluate the number of employees needed at each facility. Employees shall bid on their annual work location based on Classification Seniority.

If during the calendar year, it becomes necessary to adjust the number of employees required in any Classification working from one facility to another facility, the COMPANY will post a list of available positions and allow employees to volunteer to switch facilities. Volunteers will be re-assigned from the volunteer list in Classification seniority order. If there are insufficient volunteers, open positions will be filled in reverse seniority order. If an employee is forced to change, they will be given the first option to return to their previous facility if an opening becomes available.

SECTION 2. MAINTENANCE SHIFTS: A general bid will occur in Maintenance at least two (2) times per year, and the bids will be posted on the first Monday during the months of December and June to become effective the first Sunday of a new pay period in January and July.

In addition, a bid may be posted by the COMPANY at such other times as the COMPANY determines that a change in operations, amount or type of work to be undertaken on a particular shift, or other circumstances dictate a need for reduced or additional Classifications or Maintenance Technician "Specialty Areas" on any shift. General bids forms will indicate the number of positions by Classification and Maintenance Technician "Specialty Areas" available on each shift and the working hours of each shift. All Maintenance employees will bid in Classification Seniority order. Maintenance Technicians will bid using the following three (3) steps. All other Maintenance Classifications will bid using steps 1 and 2.

1st: The employee will select the shift they desire to work (AM, PM, or Midnight, if applicable).

2nd: The employee shall choose the off-days they desire from those available.

6 bid in December, employees will also select the facility which they desire to
7 work during the next calendar year.
8

9 When a general bid is posted, it will be posted for a minimum of five (5) calendar days
10 prior to the bid.
11

12 Bidding shall take place between the hours of 3:00 p.m. and 5:00 p.m., Monday through

ARTICLE 27
EXTRA BOARD OPERATION/PROCEDURES

SECTION 1. DEFINITION: The "Extra Board" is established for the primary purpose of having operators available under normal conditions to cover work open as a result of days off, vacations, sickness, suspension, leave of absence or to cover work which was not made into regular "Runs" during the general bidding process. An "Extra Board" may be established, at general bid time only, for each of the Company's working divisions/facilities, if on a scheduled basis, available work hours justifies establishment of one (1) or more full-time positions to cover regular operator work. "Regular Operators" assigned to "Runs" will not be allowed to perform "Extra Board" work as long as there are "Extra Board Operators" available which can cover the open work. The most current and up-to-date Extra Board Guidelines for each facility as agreed to by the COMPANY and UNION will be posted and followed.

SECTION 2. NUMBER OF "EXTRA BOARD" POSITIONS: During the General Bid process, the COMPANY shall, at its sole discretion, determine the number of "Extra Board" positions required to cover open work under normal conditions. During the General Bid process, bus operators will have the option to bid on a regular "Run" or bid on one of the positions available on the "Extra Board".

SECTION 3. DISTRIBUTION OF "EXTRA BOARD" WORK: In the distribution of daily open work, the Company agrees that all open work will be made available to "Extra Board Operators" first. No "Regular Operators" will be pulled from their regular "Run" nor will any "Regular Operator" or "Extra Board Operator" who has volunteered to work their off-day be assigned open or special assignment work until all scheduled "Extra Board Operators" who are normally scheduled to work have been utilized.

SECTION 4. "EXTRA WORK": Work which cannot be handled by "Extra Board Operators" on any particular day as a result of greater than anticipated absenteeism shall be considered "Extra Work" and shall be offered to any operator ("Extra Board Operator" or "Regular Operator") who wish to work their scheduled off-day. An "Extra Work" sign-up sheet shall be posted each morning or weekly for all operators to voluntarily sign-up for open work on their days-off or open work which can be handled by "Regular Operators" prior to or at the completion of their normal "Run". No open work will be made available to operators who have signed the "Extra Work" sheet until all "Extra Board Operators" scheduled to work have been exhausted.

1 Article 27: Extra Board Operation/Procedures

2 Page -2-

3
4 It will be the responsibility of operators who have signed up for "Extra Work" to check
5 the "Extra Board" or call the dispatcher on the day(s) they have signed-up for "Extra
6 Work" to determine if they have been assigned additional work for the next day.

7
8 Operators shall not use the bus radio system to determine if they have been assigned
9 additional work.

10
11 "Regular Operators" working on their off-day cannot refuse work or any portion thereof
12 once they have signed up for "Extra Work" on their off-day. Refusal to work assigned
13 work which any operator has volunteered to work will result in discipline.

14
15 Off-day operators may switch their assigned run with another off-day operator prior to
16 the run pulling out provided they have both signed a "Run Switch" form and turned it in
17 to the dispatcher.

18
19 An Operator will be permitted to switch runs no more the twice (2x) during a bid.

20
21 **SECTION 5. "EXTRA BOARD" ROTATION:** On the first effective day of a new
22 "General Bid", operators who have bid the "Extra Board" will be assigned to the "Extra
23 Board" in Classification seniority order. New employees or other employees returning
24 from an extended leave who are assigned to the "Extra Board" between "General Bids",
25 shall be placed on the "Extra Board" in Classification seniority order as of the day that
26 they report for work.

27
28 Each day, the "Extra Board Operator" who has served at the top of the Extra Board the
29 previous day, shall be moved to the bottom of the "Extra Board" for the next day's
30 assignments, and each "Extra Board Operator" below shall move up one (1) position,
31 thus creating a revolving "Extra Board".

32
33 **SECTION 6. "EXTRA BOARD" DAILY ASSIGNMENT:** For an Open Regular "Run" of
34 less than one (1) week duration, special assignment or other open work shall be
35 scheduled to the "Extra Board" on a daily basis. Daily assignments to "Extra
36 Board Operators" scheduled to work that day and operators which have signed up for
37 extra work on the "Extra Work" sheet the previous day will be made in accordance
38 with the following procedure:

1 Article 27: Extra Board Operation/Procedures

2 Page -3-

3
4 All known or foreseen "Open Work" as a result of vacancies in a Regular "Run" of less
5 than one (1) week in duration, charters, unscheduled vacations, sickness, suspension
6 or permanent pieces of "Open Work" which are known to the COMPANY prior to 11:00
7 a.m. of the day in which

8
9 (A) the "Extra Board" is completed for the next day, shall be assigned to
10 "Extra Board Operators" according to their position on the "Extra Board".
11 In assignment of work to "Extra Board Operators", the following
12 procedure will be used:

13
14 (1) a. FIRST: All "Open Work" in the following order:

- 15
16 1. Ten (10) hour "Straight Runs" in most pay time order
17 2. Ten (10) hour "Split Runs" in most pay time order
18 3. Eight (8) hour "Straight Runs" in most pay time order
19 4. Eight (8) hour "Split Runs" in most pay time order
20

21 b. SECOND: If the number of assignments listed in number
22 one (1) above, exceeds the number of "Extra Board
23 Operators" for that day, then and only then, the dispatcher
24 will attempt to fit the remaining pieces with the assignments
25 originally listed. If an open piece, or a piece of a Split "Run"
26 can be worked in combination with one of the assignments
27 listed originally, then that piece of work will be combined
28 with the one which fits and placed in its most pay time
29 order. Special Service work and Standby work will not be
30 used for the purpose of combining work.

31
32 (2) Special Service Work

33 (3) Standby
34

35 (B) All "Open Work" assigned to "Extra Board Operators" in accordance with
36 the order specified in (A) above, shall be assigned in sequential order
37 based on the operator's position on the "Extra Board" for that day, except
38 for the following:
39
40

1 Article 27: Extra Board Operation/Procedures

2 Page -4-

- 3
- 4 (1) Should an "Extra Board Operator" be scheduled for a regular off-
- 5 day, they shall be marked as "off" and be passed for purposes of
- 6 assigning "Open Work" for that day.
- 7
- 8 (2) All operators who have been out on any type of unscheduled leave
- 9 (Sick Leave, Workers' Compensation, Leave of Absence, etc.) shall
- 10 be considered not available for the next day's "Extra Board" work;
- 11 unless they have notified the dispatch office prior to 11:00 a.m. on
- 12 the day the "Extra Board" is being prepared for the next day.
- 13
- 14 (3) If an "Extra Board Operator's" normal assignment on the "Extra
- 15 Board" would result in the operator having less than eight (8) hours of
- 16 off-time between assignments, the operator's assignment on the next
- 17 day's "Extra Board" will be the first assignment available by their
- 18 Board Seniority and or Standby time after the operator has been
- 19 off-duty for eight (8) hours.
- 20
- 21 (C) No operator shall be excused from taking the work assignment that
- 22 falls to their position on the "Extra Board", unless, two (2) operators
- 23 desire to trade assignments. Operators who desire to trade
- 24 assignments shall be required to obtain the approval of the UNION
- 25 and the COMPANY, the day prior to the assigned work. An
- 26 Operator will be permitted to switch runs no more than twice (2x)
- 27 during a bid. There shall be no trading, substituting or relieving of
- 28 assignments without the joint approval of the UNION and the
- 29 COMPANY. "Extra Board Operators" who trade work assignments
- 30 consisting of less than eight (8) hours shall lose their forty (40) hour
- 31 guarantee for the time lost that day.
- 32

33 **SECTION 7. WORK AFTER THE "EXTRA BOARD" COMPLETION:** If work becomes

35 dispatcher shall assign the work the following morning or as it becomes available

36 the following day in the following order:

37

38

1 Article 27: Extra Board Operation/Procedures

2 Page -5-

3 (1) "Extra Board Operators", in "Extra Board" order, who have
4 been assigned less than eight (8) hours pay time for the day
5 and who can handle the open assignment in addition to their
6 current assignments.

7
8 (2) Regular Extra Board "Standby Operators" in order of the
9 position on the "Extra Board" for that day.

10
11 (3) "Off-Day Operators" who have signed up the "Extra Work"
12 sheet the prior day:

13
14 If it is necessary to use operators who have signed for "Extra
15 Work" but have not been assigned work on the "Extra Board"
16 for that day since the work has become available since the
17 "Extra Board" was completed and posted, the dispatcher
18 shall call such "Off-Day Operators", by telephone, in seniority
19 order and make the assignment available. If the dispatcher
20 is required to contact the operator by calling, only one (1)
21 telephone call shall be made to the operator's primary
22 telephone number. If the telephone is answered by an
23 answering machine, the dispatcher will leave a message. If
24 the operator calls the dispatcher back and work is still
25 available, the operator will be given the assignment. If the
26 operator is not at home or cannot be personally contacted,
27 the operator shall be deemed to have missed their
28 opportunity to work the open assignment and the next
29 operator in seniority order will be telephoned.

30
31 (4) In the event there are insufficient volunteer operators to cover
32 "Open Work", the "Open Work" will be assigned to "Off-Day
33 Operators" in reverse seniority order. The operator so assigned
34 must work the assignment. If the operator is placed on stand-by,
35 they will be guaranteed four (4) hours pay per day.

36
37 **SECTION 8. HOLD-DOWNS:** A "Hold-Down" is defined as "Runs" normally operated
38 by a "Regular Operator" for four (4) or five (5) days per week, which is known by the
39 COMPANY to be vacant for a period of one (1) or more weeks in the future. The
40 vacancy can be caused by vacation, a minimum of one week of annual leave, leave of
41 absence, extended illness, workers' compensation injury or any other extended
42 absence. "Extra Board Operators" shall be allowed to bid in seniority order, on a weekly
43 basis for "Hold-Downs" for the next week based on the following procedure:

Article 27: Extra Board Operation/Procedures

Page -6-

- (A) No later than 11:00 a.m. each Monday, the dispatcher shall post a list of all "Runs" normally operated by "Regular Operators" and which are known to be vacant the following week as a result of scheduled vacation, leave of absence, Workers' Compensation or extended illness. "Extra Board Operators" will be allowed to bid, in seniority order, on any of the open "Runs" to be operated for the entire following week. Bidding must be completed by 8:00 a.m. on Thursday of the week prior to the "Runs" being open.
- (B) No later than 11:00 AM on the Thursday of the week prior to the "Runs" being open, the dispatcher shall post the results of the bidding process and the "Extra Board Operators" which have bid a "Hold-Down" for the following week will be required to operate the "Runs" during the entire next week; unless a "Regular Operator" who has been out on an extended illness, disability or Workers' Compensation returns to work unexpectedly. In that event, the "Regular Operator" will return to their bid "Runs" and the "Extra Board Operator" will return to the "Extra Board" but will retain the same days off as the "Hold-Down" "Runs" for the remainder of the week.
- (C) During a "Hold-Down" situation, the "Extra Board Operator" will assume the days off associated with the "Runs" being held-down. Upon completion of the "Hold-Down" week, the "Extra Board Operator" will return to their original pre-determined days off. Upon returning to the "Extra Board" from a "Hold-Down", the "Extra Board Operator" will return to their place on the "Extra Board" rotation based on their seniority location on the "Extra Board" that day.
- (D) Any "Runs" posted for "Hold-Down" which are not bid will be operated by the "Extra Board" and be assigned on a daily basis as provided in Section 6 herein.

SECTION 9. EXTRA BOARD GUARANTEE: "Extra Board Operators" will be guaranteed forty (40) hours per week for a scheduled five (5) day work week with two (2) regularly scheduled days-off per week during each general bid, provided,

1 Article 27: Extra Board Operation/Procedures

3
4 they are qualified to work, made themselves available and accept all work offered or
5 scheduled. An "Extra Board Operator", absent for any type of unpaid leave shall have their
6 weekly guarantee reduced by the amount of work time they are absent or fail to accept.

7
8 Should an "Extra Board Operator" be absent from duty or unavailable for service part of a
9 day, they shall receive pay only for that part of the day worked and their weekly
10 guarantee will be reduced according to the hours absent.
