Online Access – User ID and Passwords

All employees have a County email address and User Name and password to access information and self-service systems.

Contact Human Resources or Payroll for assistance or to obtain your access information. Requests for password resets are generally processed within 48 hours. Once request is processed, you can -

- Login to HRIS to create/reset your unique password before accessing other self-service systems
- Use the User ID (ALL CAPS) and new password to access MyBenefits and other self-service systems

User ID _____ Default Password Reset: palmtran##### (##### is the last 4 # of your SSN)

From Home: Palm Tran website at www.palmtran.org - use the "**Employer Corner**" link to go directly to self-service systems:
