Group Insurance Eligibility

All active full-time employees who are regularly scheduled to thirty (30) hours or more a week may qualify for coverage under the benefit plans described in this guide.

Further, non-full time (including seasonal and variable hour) employees are evaluated under the provisions of the Affordable Care Act (ACA). If it is determined at the conclusion of a measurement period that an employee in this category meets the definition of "full time" as defined by the ACA, future **medical** coverage will be offered to that employee. Employees in this category are subject to periodic evaluation of their hours worked to determine if the employee continues to meet the criteria of a full time employee and continues to be eligible for medical coverage, as outlined by the ACA.

Dependent Eligibility

You must be enrolled in benefits in order to enroll your eligible dependents. You may add your eligible dependents to the same Medical and/or Dental plans in which you enroll and in the group Life insurance plan. Eligible dependents are:

- Legal Spouse or Domestic Partner of the same or opposite sex who is not eligible for coverage as an employee.
Note: A former spouse is NOT an eligible dependent and must be removed from an employee's coverage immediately following a divorce – even if a court order mandates that the employee has to continue to provide medical coverage for the former spouse.
IMPORTANT: You CANNOT be covered as a dependent on the medical, dental, or life insurance plans if you are eligible for coverage as an employee.
- Natural, adopted, step-child, domestic partner child, foster child, child placed in your custody by a court order until the end of the month the child turns age 26 for medical, dental insurance or dependent (child life) insurance coverage
- A child born to an insured Dependent child of yours until such child is 18 months old
- Qualified child from age 26 until the end of the calendar year in which the child reaches the age of 30 (provided child is unmarried and does not have a dependent of their own, is a Florida state resident or a full-time or part-time student, and is not covered under a plan of their own or entitled to benefits under title XVIII of the Social Security Act) may be covered for medical and dental plans. **IMPORTANT:** The rates for children in this category are illustrated in the "Over-aged Dependent Tier"; are paid entirely by the employee electing the coverage for each 26 - 30 year old dependent and are paid IN ADDITION to other selected tiers of coverage on a post-tax basis. Over-aged Dependents cannot participate in the life insurance plans
- Qualified child who is 26 or more years old and primarily supported by you and incapable of self-sustaining

employment by reason of mental or physical handicap. The carrier will require supporting documents to approved coverage and periodically thereafter.

IMPORTANT: Your dependents who no longer meet the County's eligibility requirement can no longer remain under the group insurance plan, this includes a *former* spouse. Your group insurance office or representative will notify you 60 days before the coverage ends, due to age, and your dependent will be offered continuation coverage. If you experience a relevant qualifying event, it is your responsibility to notify your group insurance office or representative within 30 days of the event.

Employees May Not be covered as Dependents

Individuals who are eligible for Group Insurance benefits as "employees" cannot be covered as a "dependent". This applies to the medical and dental plans; as well as spouse or domestic partner/dependent child life insurance. Individuals who are eligible for BCC group insurance benefits as an employee must elect coverage as an employee (instead of being covered as a dependent). Therefore, BCC benefits eligible dependents cannot be a dependent on any BCC plan.

Proof of Eligibility

Proof of eligibility is required for all dependents added to the employee's coverage. Required documentation should be submitted to your group insurance office or representative upon hire, or when dependents are added during the plan year. Staff, at its discretion, may also require the documents referenced herein during the Open Enrollment period or any time during the plan year during random or formal file audits, or when circumstances arise that lead to a single file audit of an employee. It is hereby noted that when a third party is hired to conduct a dependent verification review, it may require additional information from what is noted herein.

If proof of eligibility is not provided with the plan enrollment, your Group Insurance office or representative will request it. Documentation must be received within 60 days of the request or the dependent may not be enrolled in, or remain in the plan(s). Such dependent would not be eligible for coverage until the next Open Enrollment period except in the case of a qualifying event.

If you are enrolling dependents, you must provide the required dependent verification documents by faxing them to BCC Group Insurance at 561-242-7184 or to Palm Tran at 561-841-4283; alternatively, you can scan and email the information to BCCMyBenefits@pbcgov.org. If all of the required dependent verification is not received, your dependent will not be enrolled in your coverage. Your next chance to enroll the dependent will be either within 31 days of a qualified family status change or during the next applicable annual Open Enrollment period, provided you are submitting the required dependent verification documents at that time.

IMPORTANT: Employees are cautioned to consider their covered dependents carefully to ensure dependents meet the criteria of a qualified dependent

- It is the employee's responsibility to ensure only qualified dependents are covered under his/her coverage and to timely remove ineligible dependents
- Dependent audits have been completed in the past and will be completed again in the future. Employees who are found to have non-qualified dependents covered are subject to disciplinary actions up to and including termination and repayments of any claims paid on behalf of the ineligible dependents. Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit is guilty of a crime and may be subject to fines and confinement in prison
- Employees must provide acceptable dependent verification documents for any dependents added during the benefits enrollment period
- Some of the individuals who are NOT eligible to be covered as a dependent under an employee's group insurance plan, are parents (even if claimed as a dependent on an employee's tax return), siblings, as

Enrollment Opportunities

You have three opportunities to make benefit enrollment elections or changes, including but not limited to electing coverage, adding dependents, deleting dependents, changing coverage, or terminating coverage, etc.

- 1) **Newly Hired Employees:** As a new hire you must elect your benefits within 31 calendar days by accessing [MyBenefits](#) within 31 days of your date of hire and also provide the following documentation:
 - Dependent verification documentation as specified above
 - Proof of other health insurance if you decline/waive medical coverage and are eligible for the Opt-Out benefit
 - Completed Evidence of Insurability forms – if required – for group term life insurance

- 2) **After a Family Status Change or Life Event:** Employees or dependents that experience a Qualifying Event (QE) normally have 30 days from the date of the QE to make any changes to their benefits. QEs include family status changes such as marriage, divorce, beginning or ending of a domestic partnership, death of a spouse or dependent, birth or adoption/placement for adoption of a child, loss of other healthcare coverage or loss of dependent eligibility, change in spouse's/domestic partner's employment status, and initial entitlement to Medicare or Medicaid. If you experience a qualifying event, you must contact your respective group insurance

office or representative to make appropriate changes to your coverage within 30 days of the date of the event.

Any change in your benefits must be consistent with the change in status. For example, if you get married, you may add your spouse to your medical coverage.

- 3) **During the annual Open Enrollment period** – Typically, Open Enrollment takes place each year beginning in the month of October. Employees are given the opportunity to review benefit plan options and make changes for the following plan year. All benefits chosen during Open Enrollment take effect on January 1st of the following year. The annual Open Enrollment period and information is widely communicated in advance.

You should consider your elections carefully as IRS regulations limit when you can add coverage or make changes during the year. Once enrolled you cannot change certain coverage elections outside the annual Open Enrollment period unless you have a qualifying event.

Employees who do not enroll within the appropriate enrollment period cannot enroll or make changes until the next applicable annual Open Enrollment period.

It is your responsibility to review enrollment information, which includes certain conditions and expectations. Failure to read, understand, participate in information sessions, and ask questions prior to enrollment deadlines will not constitute a valid reason for an exception. Failure to observe these important responsibilities could have serious consequences as well as causing you and/or your dependents to have no coverage for the plan year.

Coverage Effective Date

New Employee: You are eligible for benefits on the first day of the month coinciding with or next following sixty (60) days of employment. For example, if your first day of work is May 15, your insurance coverage will be effective August 1. **Please note:** In accordance with the Affordable Care Act (ACA) a group health plan may not impose a waiting period in excess of 90 calendar days and the health plan complies with this requirement.

Transferred/promoted employee: A permanent employee who transfers from other than a full time employment to full time permanent category will be given the option to have coverage effective on the first day of the month immediately following his/her hire date with the Board of County Commissioners, Palm Tran or Supervisor of Elections; provided the employee has been continuously employed in that permanent other than full-time position for at least 60 consecutive calendar days. Further, an employee transferring from employment with a Palm Beach County Constitutional Officer or Palm Tran will be given the option to have coverage effective on the first day of the month immediately following his/her hire date with the Board of County Commissioners. Employees must be full time, scheduled to work 30 hours or more each week, to be eligible for coverage

Special enrollment due to Qualifying Event: Your enrollment elections or changes made as a result of a qualifying event become effective on the 1st of the calendar month following your election. Exceptions may include birth of a child or death of dependent.

Annual open enrollment: Changes you make during Open Enrollment, or plans that you need to actively re-elect during open enrollment take effect on January 1st of the following year.

Premium Costs

medical HMO or CHOICE plan. Employees pay a portion of the medical premiums and the full premium cost for dental insurance, additional life and AD&D insurance, spouse and AD&D insurance, and child life insurance, Short-term and voluntary/buy-up Long-term disability insurance. All premium rates are subject to change at the discretion of the Palm Beach County Board of County Commissioners.

Pre-Tax Benefit Plans

Pursuant to Section 125 of the Internal Revenue Code, all benefit plans other than the optional short and/or long term disability insurance plans are offered on a pre-tax basis for active employees whose premiums are paid through payroll deduction. Premium payments for medical, life insurance coverage up to \$50,000, flexible spending account contributions are deducted from your gross income before taxes are applied; the amount paid for premiums is therefore tax-sheltered. By electing benefit plans on a pre-tax basis, the participant will pay less federal and Social Security taxes while receiving more take-home pay than an election of the same benefit plans with payment on a post-tax basis would yield.

Payroll Deductions

All insurance premiums costs, if any, are paid through payroll deductions. Premiums are deducted by a "pay-as-you-go" method. Premiums are deducted with the pay period that includes the coverage effective dates. Deductions are based on the payroll calendar and apply to the pay periods that contain the dates when coverage begins or ends.

If you end coverage or resign, retire or terminate employment, coverage continues until the end of the month in which you are separating. Deductions will stop the first full pay period following the coverage end date for coverage termination and employment separation. Accordingly, deductions usually will be applied to any checks as long as the employee has coverage for all or some of the pay period for which the paycheck is processed.

Retroactive premium deductions or refunds may apply. It is your responsibility to review your deductions on each paycheck and notify your group insurance office or representative of any discrepancies IMMEDIATELY.

Domestic Partner Benefits

The Board of County Commissioners extends certain benefits to qualified Domestic Partners of employees. Domestic Partners and their eligible children may participate in the following group insurance benefits as a qualified dependent of the employee:

- Health
- Dental
- Long Term Disability (FAMILY SURVIVOR BENEFIT ONLY)
- Dependent Life Insurance
- Employee Assistance Program (EAP)
- Domestic Partner continuation of coverage (in lieu of COBRA)*

Domestic Partners and their eligible children will not be eligible to participate in the following benefits:

- COBRA
- Flexible Spending Account (Section 125 Plan)
- Any other Federal benefits covered by the legal definition of spouse or qualified beneficiary

Eligibility for Domestic Partner Benefits

You must provide your group insurance office with proof of Domestic Partnership for your Domestic Partner and/or domestic partner's dependent children to be eligible for benefits.

This booklet is a summary of plan provisions related to the various Group Insurance policies issues. In the event of a conflict between this summary and the applicable Group Insurance policy and/or certificate, the policy and/or certificate shall dictate the insurance and coverage provisions, exclusions, all limitations and terms of coverage. In accordance with the provisions of ADA, this document may be requested in an alternative format. If you have any questions or would like to receive additional benefit plan materials, please contact your Group Insurance office or representative.

Premiums and Tax Implications for Domestic Partner Benefits

- The IRS allows employees to receive “tax free” insurance subsidies for themselves and their eligible dependents as defined under IRS guidelines
- Amounts attributable to coverage for a Domestic Partner and/or eligible dependents of a domestic partner; however, are excluded from this tax free subsidy
- Therefore, the value of the insurance subsidy which the employer funds for the coverage of a Domestic Partner and eligible dependents of a Domestic Partner will be considered “imputed income”, and will be taxable to the employee
- This additional amount will be shown on your paycheck
- Further, employee contributions towards domestic partner coverage are processed on a post-tax basis
- A Domestic Partner's coverage under the Dental, LTD (family survivor benefit only) or Dependent Life will not be rated separately, because these benefits are voluntary and premiums are 100% employee paid. However, premiums paid for these benefits for Domestic Partner coverage will be applied after tax, as referenced above.
- There is no taxable cost to the employee for Domestic Partner participation in the Employee Assistance Program.

Domestic Partner Tax Equity Policy

Please review Domestic Partner Tax Equity Policy PPM# CW-P-082 which has the purpose of creating a compensation structure which will fund a tax equity policy for County employees with eligible domestic partners enrolled in the County’s sponsored health insurance plans. PPMs are posted on the MyPBC Intranet under Publications > PPMs.

Domestic Partners and Medicare

- Domestic Partners may be subject to a Medicare Part B late enrollment penalty if they fail to enroll in Medicare Part B when first eligible
- Under federal law, the Medicare Secondary Payer Rules do not apply to Domestic Partners covered under a group health plan when Medicare coverage is due to age
- Therefore, when Medicare coverage is due to age, Medicare is always the Primary Plan for a person covered as a Domestic Partner, and UNITED HEALTHCARE is the Secondary Plan
- If your Domestic Partner does not elect to enroll in Medicare Parts A and/or B when first eligible, the United Healthcare medical plan will calculate payment based on what should have been paid by Medicare as the primary payer if the person had been enrolled.
- However, when Medicare coverage is due to disability, the Medicare Secondary Payer rules, as applicable, will apply

Opt-Out Benefit

Employees may reject coverage for themselves and their dependents under the County’s group medical plan if they are covered by another medical plan not funded by the Palm Beach County Board of County Commissioners. Employees who waive or “opt out” of the group medical plan receive a maximum \$1,000 annual benefit (paid at \$38.46 each pay period) provided they show evidence of other medical insurance coverage and actively waive medical coverage in MyBenefits.

Enrollment in this option does not affect your eligibility for dental, life, long term disability, short term disability or flexible benefits (FSAs)

- All Opt-Out participants (including new and current) must actively re-enroll each Plan Year.

This booklet is a summary of plan provisions related to the various Group Insurance policies issues. In the event of a conflict between this summary and the applicable Group Insurance policy and/or certificate, the policy and/or certificate shall dictate the insurance and coverage provisions, exclusions, all limitations and terms of coverage. In accordance with the provisions of ADA, this document may be requested in an alternative format. If you have any questions or would like to receive additional benefit plan materials, please contact your Group Insurance office or representative.

- Retroactive funding/enrollment will not be processed if an employee did not timely enroll or re-enroll in this program for the new Plan Year.
- It is the employee's sole responsibility to review their paychecks and anticipated Opt-Out credit and notify their group insurance office of any errors or discrepancies regarding their Opt-Out credit IMMEDIATELY.
- The Opt-Out benefit is not provided to any employee who is enrolled in a plan to which the BCC contributes – including the health plan of the BCC, Palm Tran and Supervisor of Elections as well as any other entities that may join the BCC health plan in the future. Employees who are enrolled in the health plan of Palm Beach County Fire Rescue are also excluded from the Opt-Out benefit as long as BCC contributes towards the funding of the Fire Rescue health plan in accordance with the provisions of the Collective Bargaining Agreement.
- The Opt-Out credit is not provided to any employee whose spouse or other dependent is also covered by a health plan to which the Board of County Commissioners contributes.
- Employees and their dependents who opt out of the County's medical coverage cannot enroll or re-enroll in any of the medical plans sponsored by the County until the next Open Enrollment period or within 30 days from the date coverage ceases in the other group plan.

Once I've enrolled in home delivery, how long will it take to get my medication(s)?

Medications should arrive 2-5 business days after the pharmacy receives completed new and refill orders.

Do I need to set up a home delivery account?

Yes. Before we can ship your first order, you need to set up your UnitedHealthcare account and provide your payment method (credit card, debit card or bank account). Using your account, you can go online or use the app any time to place and track orders, check prices, and more.

What is a long-term medication?

Long-term medications are those you take on a regular basis. They may also be called "maintenance medications." These may be taken for high blood pressure, cholesterol and depression, just to name a few.

Can I use home delivery for any medication?

Many drugs are available through home delivery. See which of your prescriptions can be filled through home delivery by going online or using the app.

What is electronic prescription?

Compare care options to help keep costs down

Getting care at the place that may best fit your condition or situation may save you up to \$2,300 compared to an emergency room (ER) visit.* If you have a life-threatening condition, call 911 or go to the ER. For everything else, it may be best to contact your primary care provider (PCP) first. If seeing your PCP isn't possible, it's important to know your other care options, especially before heading to the ER.

Prepare for a telehealth visit in 3 simple steps

Telehealth connects you with quality care without needing to go to your doctor or health care provider's office. Depending on your health plan, you'll likely pay less if you use a network provider. Sign in to myuhc.com[®] to access your health plan account and view the most up-to-date list of your plan's network providers.

Telehealth may be a great way to stay on top of your health from the comfort of your home. Here are 3 steps to help you prepare for a smooth visit.

1 Get yourself ready

Take a few minutes before your telehealth visit to prepare

- **Quiet space** – choose a quiet area to avoid interruptions from family and pets
- **Good lighting** – position yourself in a well-lit room and try to avoid windows in the background that can cause glare
- **Comfortable spot** – find a place to settle in for your visit, like sitting at the kitchen table or in a comfy living room chair

2 Get your information ready

It's a good idea to have your questions and information on hand

- **Questions** – jot down questions about symptoms, procedures or prescriptions
- **Medications** – list your prescriptions, over-the-counter medications, vitamins, supplements, pharmacy name and address
- **Insurance** – keep your UnitedHealthcare member ID card handy for easy access

3 Get your tech ready

To ensure a smooth experience, remember to check your tech

- **Connect** – test your internet signal to ensure it's strong
- **Charge** – plug in or charge up your selected device—smartphone, laptop or tablet
- **Position** – steady your camera by propping it up in front of you instead of holding the device
- **Access** – follow any special instructions from your provider, like downloading an app or setting up an account

Troubleshooting tips

- **Test** – test the audio and video on your device 10 to 15 minutes before your telehealth visit
- **Speed** – consider closing other apps to help avoid a slow internet connection and distractions
- **Volume** – check that the microphone on your device is on and the volume is up, not on mute

DHMO Plans

Basic S700B PBC, Access + and Enhanced S200B PBC Access + plans:

The DHMO Dental Plans are pre-paid plans. They are open access, so you do not have to select a primary care dentist or appear on a dental office roster. New this year, the DHMO plans offer 35 ADA Codes covered out of network. However, other than the 35 out-of-network ADA codes, services must be obtained from a contracted network dentist or specialist. These plans offer a guaranteed savings of 25% to 50% on basic and major dental services. With these plans there are no hidden charges. What you will pay the dentist is listed on the Member Schedule of Benefits.

- **DHMO Basic S700B PBC Access + (Plan number 13123)**
- **DHMO Enhanced S200B PBC Access + (Plan number 13122)**

 - Anesthesia – Covered when medically necessary or when administered in conjunction with approved extractions impactions (Codes: 7230/7240/7241) of a 3rd molar.

The below apply to both DHMO Plans:

- No calendar year maximum

If you have any questions or would like to receive additional benefit plan materials, please contact your Group Insurance office or representative.

- Open Access Network – As long as a member is treated by a contracted in-network provider no selection of a primary care dentist is necessary. Family members may use different dentists. (For the 35 ADA Codes covered out-of-network, the member may see any dentist in and out of network.)

Services for DHMO Plans

- If services are not listed within the Member Schedule of Benefits and are performed by a contracted Solstice in-network general dentist, the member will be charged at the dentist’s usual and customary fee less 25%.
- The contracted Solstice in-network general dentist you select may not perform all outlined procedures. The co-payment shown applies to general dentists who perform these procedures.
- Should the services of a specialist (Oral Surgeon, Endodontist, Periodontist, Pedodontist or Orthodontist) be necessary, you may go directly to a contracted specialist by self-referring to any contracted specialist and receive specialty care at the listed copayment or at a 25% reduction off the provider’s usual and customary fee for non-covered procedures. If you self-refer to a specialist, please confirm the provider is contracted with the Solstice DHMO for all services outside of the 35 out-of-network covered ADA codes.

Please always review the detailed Member Schedule of Benefits for more information to ensure that you receive the maximum benefit from your dental plan.

Using a Pedodontist

A Pedodontist (Pediatric Dentist), is a dental specialist who only treats children. Their offices are set up with smaller dental chairs and many have games for the children to play in the waiting area. This warmer, more “fun” office environment helps to eliminate the child’s fear of going to the dentist.

This booklet is a summary of plan provisions related to the various Group Insurance policies issues. In the event of a conflict between this summary and the applicable Group Insurance policy and/or certificate, the policy and/or certificate shall dictate the insurance and coverage provisions, exclusions, all limitations and terms of coverage. In accordance with the provisions of ADA, this document may be requested in an alternative format. If you have any questions or would like to receive additional benefit plan materials, please contact your Group Insurance office or representative.

- With the DHMO plan you have the choice to select the participating dentist that best satisfies the needs of each individual. Children are covered at the Pediatric Dentist up to **age 16** and do not require a referral from a General Dentist. Visits to the participating Pediatric Dentist for covered routine preventive and diagnostic dental work (exams, x-rays, cleanings, fluoride, sealants, and space maintainers) are allowed without a pre-authorization. However, if additional treatment is needed, it is recommended a claim is submitted for preauthorization prior to services being rendered. For additional treatment, you may go directly to a contracted specialist by self-referring and receiving specialty care at the listed copayment or at a 25% reduction off the provider's usual and customary fee for non-covered procedures. If you self-refer to a specialist, please confirm the provider is contracted with the Solstice DHMO for all services outside of the 35 out-of-network ADA codes.

Benefits Booster

Note: Only applies to the PPO LOW and PPO HIGH plans. Does not apply to the PPO Premier plan.

With the Benefits Booster Benefit from Solstice, you can earn award dollars for visiting the dentist at least once per year. If you have family members covered by your plan, each family member earns his or her own award. And you can roll your awards over from one year to the next.

How the program works:

- 1) Visit your dentist at least once during the benefit year.
- 2) At the end of the benefit year, if the dollar amount of the dental claims paid for you is less than your plan's annual claim threshold, you earn an annual account award.
- 3) If all your claims for the year were for in-network providers, you'll earn a \$100 annual network bonus.
- 4) Your annual account award will be added to your annual maximum for the following benefit year. The combined total will be the maximum benefit for the dental claims that year.

Low PPO Plan - The chart below shows the award dollar you could earn if your original non-network annual maximum of \$500.

Here's how your Benefits Booster Benefit adds up:	
IF your original annual maximum is:	\$500
AND the total dental claims paid for you is one year is less than this: <i>(This is the plan's annual claim threshold.)</i>	\$250
THEN you qualify for an annual account award of:	\$125
PLUS, if all your claims for the year are for network providers, you can also earn: <i>(This is the annual network bonus.)</i>	+\$100
THEREFORE , the potential total Benefits Booster earnings for the year are: <i>(This amount is added to your annual maximum for the following year.)</i>	=\$225
Max Rollover Account Limit	\$500

High PPO Plan - The chart below shows the award dollar you could earn if your original non-network annual maximum of \$1,000.

Here's how your Benefits Booster Benefit adds up:	
IF your original annual maximum is:	\$1,000
AND the total dental claims paid for you is one year is less than this: <i>(This is the plan's annual claim threshold.)</i>	\$500
THEN you qualify for an annual account award of:	\$250
PLUS, if all your claims for the year are for network providers, you can also earn: <i>(This is the annual network bonus.)</i>	+\$100
THEREFORE , the potential total Benefits Booster earnings for the year are: <i>(This amount is added to your annual maximum for the following year.)</i>	=\$350
Max Rollover Account Limit	\$1,000

BenefitsBooster terms (Note: Does NOT apply to PPO Premier Plan):

- **Original annual maximum:** The maximum amount the plan will pay for a member's claim during the plan year.

This booklet is a summary of plan provisions related to the various Group Insurance policies issues. In the event of a conflict between this summary and the applicable Group Insurance policy and/or certificate, the policy and/or certificate shall dictate the insurance and coverage provisions, exclusions, all limitations and terms of coverage. In accordance with the provisions of ADA, this document may be requested in an alternative format. If you have any questions or would like to receive additional benefit plan materials, please contact your Group Insurance office or representative.

- **Annual claim threshold:** A set amount determined by the plan. A member's paid claims must fall below this amount to qualify for a Benefits Booster award.
- **Annual account award:** The dollar amount a member earns when their annual claims are greater than \$0, but lower than the annual claim threshold.
- **Annual network bonus:** The \$100 a member earns when their claims for the plan year are all for network providers.³
- **Account limit:** The maximum balance a member can have in their account.

How your awards are used:

- Your account awards are used to pay for claims that go beyond your original annual maximum.
- If you don't use your entire award balance, you can carry over the difference from year to year.
- Awards can be used for claims that you file up to 180 days after your benefit period ends.
- Awards can be used for both network and non-network claims.
- Award balances do not apply to orthodontic services or implant services.
- If you don't submit any claims during the benefit period, you won't earn any new awards.

Some things to remember:

- **If you become a member** of the Solstice plan during the last three months of a benefit period, you will have to wait until the end of the first full month of the next benefit period to participate in Benefits Booster.
- **If you end your benefit coverage**, but return within six months with the same employer, you can rejoin Benefits Booster without losing any previously unused award balance if your employer still offers a dental plan with Benefits Booster. However, if six months or more pass, or if your employer changes, your award balance is no longer available.
- **If your employer decides to change your dental plan**, your award balance will move with you as long as the new plan includes Benefits Booster. If the new plan does not, you will lose your award balance.

Life insurance coverage available with no health questions

There are certain times in which you can enroll for coverage without answering health questions. Below is a summary of those options.

A full list of your life insurance coverage options is outlined on the next page. To apply for coverage other than what's outlined here, you'll answer three questions about your health history – along with height and weight. Applicants previously declined coverage also will be required to answer the health questions.

Within 31 days of initial eligibility (new hire, new spouse and/or child)

- Employee: Elect up to \$150,000
- Spouse/domestic partner (DP): Elect \$25,000
- Child: All coverage options are available for you to elect

During each annual enrollment

- Employee: Enroll or increase by \$10,000 as long as the resulting total does not exceed \$150,000

Need some guidance on how much life insurance you need?

Use Securian Financial's online benefits decision tool, Benefit Scout®. By answering a few simple questions about your family and finances, you can determine the coverage that meets your needs.

LifeBenefits.com/Scout1

Frequently asked questions

Q. What is term life and AD&D insurance?

A. Group term life insurance provides a cost-effective way to prepare for the unexpected by adding an extra level of protection during your working years. Your loved ones may benefit from life insurance to cover medical bills, funeral costs and estate management expenses. It can also be a critical resource in helping with your family's ongoing expenses.

Accidental death and dismemberment (AD&D) insurance provides additional financial protection in the event that a covered accident results in an insured person's loss of life, hearing, sight, paralysis and more.

Q. Do I have to answer health questions?

A. Enrolling for coverage other than what is outlined on page one will require that you answer three questions about your health history, along with height and weight. Based on your answers, it will be determined whether anything further is needed to make a decision to approve or decline the application. If by any chance your application is not approved, you will still get any coverage that didn't require the health question and it will not affect any coverage you already have.

Q. Can I take my coverage with me if I leave Palm Beach County?

A. You can continue to be insured with Securian beyond active employment without answering health questions. Premiums are generally higher than those paid by active employees.

This is a summary of plan provisions related to the insurance policy issued by Minnesota Life Insurance Company to Palm Beach County. In the event of a conflict between this summary and the policy and/or certificate, the policy and/or certificate shall dictate the insurance provisions, exclusions, all limitations and terms of coverage. All elections or increases are subject to the active work requirement of the policy.

Products are offered under policy form series MHC-96-13180.9.

Have you elected a beneficiary?

Do I need to designate a beneficiary annually?

No. However, important events such as marriage, birth/adoption of children, divorce or death may change how you want your life insurance benefit paid.

Choosing a beneficiary

Your beneficiary can be a person, a charity, a trust, or your estate. You can split the benefit among multiple beneficiaries as long as the total percentage of the proceeds equal 100 percent.

Primary beneficiary

The person(s) named will receive the benefit. If any named beneficiary is not living at the time of claim, the benefit will be split among any remaining primary beneficiaries before it is paid to a contingent beneficiary.

Contingent beneficiary

If the primary beneficiaries are no longer living, the benefit is paid to this person or persons.

Default beneficiary

If you do not name a beneficiary, policy benefits will be paid to the default beneficiary listed in the certificate of insurance.

Can I name someone living in another country?

Yes. If your beneficiary lives outside of the U.S., please be sure your designation information is complete, with full name, address and, if available, email address.

Can I designate a minor?

Minors cannot directly receive life insurance proceeds, however, there are a number of ways they can be used and managed for minor children. To determine the best approach for your life insurance benefits, you should consult an estate planning attorney.

Update your beneficiary

1. Visit LifeBenefits.com
2. Enter the log-in credentials previously provided by Securian Financial
3. Click on "View Beneficiary" to view your current designation (for initial designations click on the begin button)
4. Click on "Update Designation"

Flexible Benefits Plan

The County's Flexible Benefits plan is administered by the P&A Group. Flexible benefits include IRS tax-favored flexible spending accounts (FSA's/FLEX). Flexible Spending Accounts allow you to use before-tax dollars to pay for out-of-pocket eligible health care and dependent care expenses incurred during the plan year. You never pay federal income or Social Security taxes on this money. Every dollar you contribute is **pre-tax**, *reducing your taxable income and increasing your take-home pay!*

FLEXIBLE SPENDING ACCOUNTS – P & A Administrative Services, Inc. -

- Healthcare FSA contributions: \$260 min - **\$2,850** max annually or \$10.00 - **\$109.62** bi-weekly
- Dependent Care FSA contributions: \$260 min - **\$5,000** max annually or \$10.00 min – **\$192.31** bi-weekly

COUNTY OF PALM BEACH

FSA Rules to Remember

Plan Year

1/1/2023 - 12/31/2023

Grace Period

A provision that gives you two and a half months after the end of the plan year to incur eligible expenses, as long as you are actively enrolled as of the last day of the plan year. Participants have until March 15, 2024 to incur expenses during the plan year.

Run-Out Period

Participants have until April 30, 2024 to submit for expenses incurred during the plan year and grace period.

Use or Lose Rule

Unused account balances will not rollover. Remember, only contribute money you are confident you will use to pay for qualified expenses during the plan year and grace period.

NEW

Over-the-counter (OTC) medications are now reimbursable under Flexible Spending Accounts without requiring a prescription or completing a Letter of Medical Necessity Form. This provision is retroactive to January 1, 2020. Menstrual care products are also now reimbursable as eligible expenses, including tampons and pads.

Your Guide to Pre-Tax Savings

WHAT IS A FLEXIBLE SPENDING ACCOUNT?

A Flexible Spending Account (FSA) allows you to set aside a portion of your pay pre-tax to use for medical, dental, vision, and child care/elder care expenses that are not covered by insurance, or only partially covered. Because it is deducted from your pay before taxes, you can save up to 30% on your dollar (depending on your tax bracket)! Estimate how much you usually spend on these types of expenses in a year and set aside that dollar amount into your FSA.

ACCOUNTS AVAILABLE

Health FSA

Covers the cost of medical, dental, and vision expenses incurred by you and or your eligible dependent(s). Eligible expenses include deductibles, co-pays, prescriptions, eyeglasses, and dental work.

Minimum annual election amount: \$260

Maximum annual election amount: \$2,850

Dependent Care Assistance Account

Covers the amount you pay to daycare centers, babysitters, after school programs, day camp programs and eldercare facilities. *This account does NOT reimburse medical expenses for your dependent(s). It is for qualified daycare expenses only.*

Maximum annual election amount: \$5,000

ELIGIBILITY NOTE: *Should you become ineligible for this benefit and still have money credited to a Flexible Spending Account when eligibility is lost, the remaining account balance may be used to reimburse you for eligible expenses you had before you lost eligibility. Remaining claims must be submitted within 30 days after you lost eligibility. Health FSA Accounts will be evaluated for COBRA coverage eligibility should your account still have a balance at the time of the qualifying event.*

FLEXIBLE SPENDING ACCOUNT

P&A BENEFITS CARD

Your employer offers a Benefits MasterCard for employees who participate in the plan. The Benefits MasterCard works like a debit card. When you incur an eligible expense, swipe your card at the point-of-service and the expense will automatically be deducted from your FSA balance. If you are unable to use your Benefits Card, you can still be reimbursed for all eligible expenses. Save your receipt and submit a claim to P&A Group using one of the methods below. For all purchases, we encourage you to save your receipts in case documentation is requested. NOTE: This card cannot be used at an ATM machine to withdraw cash.

Your Benefits Card is valid for three years from the date of issue. If this is your third year enrolling with P&A Group, you may be receiving a new Benefits Card in the mail. A new card is automatically mailed to your home address when it's time for you to receive a new one.

Safeguard your physical & financial health with *supplemental* insurance

Review your supplemental benefit options and protect yourself and your family from unforeseen medical cost, diagnosis, and emergencies.

Medical emergencies are **unpredictable** and expensive, and your employer health plan, or private health insurance may only cover a portion of the costs. Our **supplemental health policies** offer benefits to help protect your family financially from the high cost of hospital stays, critical illnesses, injuries, & more.

How would a hospital stay, or illness affect you financially?

Beware of these common out-of-pocket expenses:

- » **Deductible.** Before your major medical insurance starts paying benefits, you must meet your deductible.
- » **Copays.** These are fixed amounts you pay for covered services after you meet your deductible.
- » **Travel to and from where you receive care:** Receiving care for serious illnesses, such as cancer, may require you to seek treatment at facilities not in your local area.
- » **Everyday expenses.** Bills and expenses don't stop when you're unable to work due to an injury.

We offer many coverage options to fit your needs, including ones that cover:

HOSPITAL STAYS

EMERGENCY ROOM OR URGENT CARE VISITS

DOCTOR APPOINTMENTS, SURGERIES, LAB TESTS & MORE

CANCER & ACCIDENTAL INJURIES

Be assured...we've got you covered.

Representatives will be at each work location in November.

WHY WASHINGTON NATIONAL?

Our policies offer these assurances:

Flexibility.

Because cash benefits are paid *directly to you*, not a doctor or hospital, you have no restrictions on how you use your benefits.

Portability.

This allows you to *keep your policy*, even if you change jobs, move to a different state, retire or go on Medicare.

Premiums stay the same.

Your rates *cannot be increased* unless all rates of that kind are raised in your state.

Guaranteed renewability for life.

Your policy is *guaranteed* renewable as long as you pay the required premiums on time.

And the best part is, if you don't use the coverage, our **Return of Premium benefit** returns your premiums—minus claims—after 20 years* (or at age 75, whichever is first on the Hospital Plan)

End of Coverage

All coverage ends at midnight on the last day of the month in which you terminate employment. For example, if the last day you work is May 1st, your coverage ends at midnight on May 31st. If the last day you work is May 30th, your coverage ends as of midnight on May 31st.

If an employee ends coverage or resigns, retires or terminates employment, existing and paid coverage will continue until the end of the month in which an employee terminates. Deductions will stop the first full pay period following the coverage end date for coverage termination and employment separation. Accordingly, deductions usually will be applied to any checks as long as the employee has coverage for all or some of the pay period for which the paycheck is processed.

Continuation Group Health Coverage

As provided by The Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA), you and/or your eligible dependents may continue participation in the County's group medical and/or dental plans. Please refer to the COBRA notice included in this summary.

Retiree Insurance – Continuation of Coverage for Retirees

Florida Law (112.0801) requires that Palm Beach County makes available to retirees the same medical and dental plan benefits active employees have. As a retiree, you are eligible to participate in the medical and dental plan and to purchase group term life insurance provided you pay the full cost of the premiums. Retiree coverage has to be elected within 30 days of your date of employment separation.

Life Insurance portability/conversion

Employees who were previously insured for Basic and Additional Term Life Insurance coverage may elect to continue their in-force insurance, as well as any in-force insurance on their dependents. Employee must apply for portability from the carrier within 31 days from the date coverage would otherwise terminate.

**NOTICE OF PRIVACY PRACTICES FOR PROTECTED
HEALTH INFORMATION**

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY
BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS
INFORMATION, PLEASE REVIEW IT CAREFULLY.**

This notice is provided to you on behalf of the Palm Beach County Board of County Commissioners and participating agencies Palm Tran, Inc. and Supervisor of Elections, and applies to the privacy practices of the BOCC covered health plans (the Plan). It is intended to satisfy the notice requirements under the Health Insurance Portability and Accountability Act of 1996, amended by the HITECH Act of American Recovery and Reinvestment Act of 2009 (HIPAA). The Plan is required by law to take reasonable steps to ensure the privacy of your personally identifiable health information and to inform you about:

- the Plan's uses and disclosures of Protected Health Information (PHI);
- your privacy rights with respect to your PHI;
 - the Plan's legal duties with respect to your PHI;
 - your right to file a complaint with the Plan and to the Secretary of the U.S. Department of Health and Human Services; and
- the person or office to contact for further information about the Plan's privacy practices.

The term "Protected Health Information" (PHI) includes all individually identifiable health information transmitted or maintained by the Plan, regardless of form (oral, written, electronic).

Section 1. Notice of PHI Uses and Disclosures

Required PHI Uses and Disclosures

Upon your request, the Plan is required to give you access to certain PHI in order to inspect and copy it.

Use and disclosure of your PHI may be required by the Secretary of the Department of Health and Human Services to investigate or determine the Plan's compliance with the privacy regulations.

Uses and disclosures to carry out treatment, payment and health care operations

The Plan and its business associates will use PHI without your consent, authorization or opportunity to agree or object to carry out treatment, payment and health care operations. The Plan also will disclose PHI to the Plan Administrator(s) for purposes related to treatment, payment and health care operations. The plan documents provide for the protection of your PHI as required by federal law.

Treatment is the provision, coordination or management of health care and related services. It also includes but is not limited to consultations and referrals between one or more of your providers.

For example, the Plan may disclose to a treating orthodontist the name of your treating dentist so that the orthodontist may ask for your dental X-rays from the treating dentist.

Payment includes but is not limited to actions to make coverage determinations and payment (including billing, claims management, subrogation, plan reimbursement, reviews for medical necessity and appropriateness of care and utilization review and preauthorizations).

NOTICE OF PRIVACY PRACTICES FOR PROTECTED HEALTH INFORMATION

For example, the Plan may tell a doctor whether you are eligible for coverage or what percentage of the bill will be paid by the Plan.

Health care operations include but are not limited to quality assessment and improvement, reviewing competence or qualifications of health care professionals, underwriting, premium rating and other insurance activities relating to creating or renewing insurance contracts. It also includes disease management, case management, conducting or arranging for medical review, legal services and auditing functions including fraud and abuse compliance programs, business planning and development, business management and general administrative activities.

For example, the Plan may use information about your claims to refer you to a disease management program, project future benefit costs or audit the accuracy of its claims processing functions.

The Plan does not use or disclose PHI that is genetic information for underwriting purposes.

Uses and disclosures that require your consent

If you decline to provide consent for the use of your PHI for treatment, payment and health care operations you will not be enrolled in the Plan.

Uses and disclosures that require your written authorization

Your written authorization generally will be obtained before the Plan will use or disclose psychotherapy notes, drug and alcohol addiction treatment records, and HIV status about you from your health care practitioner. The Plan may use and disclose such notes when needed by the Plan to defend against litigation filed by you. Psychotherapy notes are separately filed notes about your conversations with your mental health professional during a counseling session. They do not include

summary information about your mental health treatment.

Uses and disclosures that require that you be given an opportunity to agree or disagree prior to the use or release

Disclosure of your PHI to family members, other relatives and your close personal friends is allowed if:

- the information is directly relevant to the family or friend's involvement with your care; and
- you have either agreed to the disclosure or have been given an opportunity to object and have not objected.

Uses and disclosures for which consent authorization or opportunity to object is not required

Use and disclosure of your PHI is allowed without your consent, authorization or request under the following circumstances:

1. When required by law.
2. When permitted for purposes of public health activities, including when necessary to report product defects, to permit product recalls and to conduct post-marketing surveillance. PHI may also be used or disclosed if you have been exposed to a communicable disease or are at risk of spreading a disease or condition, if authorized by law.
3. When authorized by law to report information about abuse, neglect or domestic violence to public authorities if there exists a reasonable belief that you may be a victim of abuse, neglect or domestic violence. In such case, the Plan will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For the purpose of

NOTICE OF PRIVACY PRACTICES FOR PROTECTED HEALTH INFORMATION

- reporting child abuse or neglect, it is not necessary to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor's parents or other representatives although there may be circumstances under federal or state law when the parents or other representatives may not be given access to the minor's PHI.
4. The Plan may disclose your PHI to a public health oversight agency for oversight activities authorized by law. This includes uses or disclosures in civil, administrative or criminal investigations; inspections; licensure or disciplinary actions (for example, to investigate complaints against providers); and other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud).
 5. The Plan may disclose your PHI when required for judicial or administrative proceedings, For example, your PHI may be disclosed in response to a subpoena or discovery request provided certain conditions are met. One of those conditions is that satisfactory assurances must be given to the Plan that the requesting party has made a good faith attempt to provide written notice to you, and the notice provided sufficient information about the proceeding to permit you to raise an objection and no objections were raised or were resolved in favor of disclosure by the court or tribunal.
 6. When required for law enforcement purposes (for example, to report certain types of wounds).
 7. For law enforcement purposes, including for the purpose of identifying or locating a suspect, fugitive, material witness or missing person. Also, when disclosing information about an individual who is or is suspected to be a victim of a crime but only if the individual agrees to the disclosure or the covered entity is unable to obtain the individual's agreement because of emergency circumstances. Furthermore, the law enforcement official must represent that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain the individual's agreement and disclosure is in the best interest of the individual as determined by the exercise of the Plan's best judgment.
 8. When required to be given to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death or other duties as authorized by law. Also, disclosure is permitted to funeral directors, consistent with applicable law, as necessary to carry out their duties with respect to the decedent.
 9. The Plan may use or disclose PHI for research, subject to conditions.
 10. When consistent with applicable law and standards of ethical conduct if the Plan, in good faith, believes the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public and the disclosure is to a person reasonably able to prevent or lessen the threat, including the target of the threat.

NOTICE OF PRIVACY PRACTICES FOR PROTECTED HEALTH INFORMATION

11. When authorized by and to the extent necessary to comply with workers' compensation or other similar programs established by law.
12. We may use or disclose your PHI to organizations that handle organ procurement or organ, eye or tissue transplantation, or to an organ bank as necessary to facilitate organ or tissue donation or transplantation.
13. We may disclose your PHI of armed forces personnel if authorized by military command authorities. We may also disclose your PHI to authorized federal officers for conducting national security, intelligence and counterintelligence activities.

Except as otherwise indicated in this notice, uses and disclosures will be made only with your written authorization subject to your right to revoke such authorization.

Section 2. Rights of Individuals

Right to Request Restrictions on PHI Uses and Disclosures

You may request the Plan to restrict uses and disclosures of your PHI to carry out treatment, payment or health care operations, or to restrict uses and disclosures to family members, relatives, friends or other persons identified by you who are involved in your care or payment for your care. However, the Plan is not required to agree to your request.

The Plan will accommodate reasonable requests to receive communications of PHI by alternative means or at alternative locations.

You or your personal representative will be required to complete a form to request restrictions on uses and disclosures of your PHI.

Information used for quality control or peer review analyses and not used to make decisions about individuals is not in the designated record set.

The requested information will be provided within 30 days if the information is maintained on site or within 60 days if the information is maintained offsite. A single 30-day extension is allowed if the Plan is unable to comply with the deadline.

If the accounting cannot be provided within 60 days, an additional 30 days is allowed if the individual is given a written statement of the reasons for the delay and the date by which the accounting will be provided.

If you request more than one accounting within a 12-month period, the Plan will charge a reasonable, cost-based fee for each subsequent accounting.

The Plan retains discretion to deny access to your PHI to a personal representative to provide protection to those vulnerable people who depend on others to exercise their rights under these rules and who may be subject to abuse or neglect. This also applies to personal representatives of minors.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2017. Contact your State for more information on eligibility –

IMPORTANT GENERAL NOTICE OF COBRA CONTINUATION OF GROUP HEALTH COVERAGE RIGHTS

To: Covered Employee, Spouse, and Dependent Children of Employee

INTRODUCTION

This is for informational purposes only. You are receiving this notice because you have recently gained coverage under one or more group health plans sponsored by PALM BEACH CTY BOARD OF CTY COMM ("the Plan"). The following information about your rights and obligations under a federal law known as the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA) is very important. Both you and your spouse (if covered) should read this summary of rights very carefully, retain it with other Plan documents, and refer to it in the event that any action is required on your part.

COBRA requires that most employers providing group health plans offer participants and/or their covered family members the opportunity for a temporary extension of group health plan coverage ("COBRA coverage") at group rates under certain circumstances when coverage under the Plan would otherwise end. COBRA (and the description of COBRA coverage contained in this notice) generally applies only to the group health plan benefits offered under the Plan and not to any other benefits (e.g., life insurance).

This notice generally explains COBRA coverage, when it may become available to you and your family, and what you need to do to protect your right to receive it. This notice does not fully describe COBRA coverage or other rights under the Plan. You will find a more detailed summary of your rights and obligations under COBRA in the applicable group health plan summary plan description (SPD). For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's SPD, contact the Plan Administrator identified in that SPD, or you can contact CONEXIS, who assists the Plan Administrator with COBRA administration.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace ("the Marketplace"). By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. You can learn more about many of these options at www.HealthCare.gov. In addition, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally does not accept late enrollees.

COBRA COVERAGE

COBRA coverage is continuation of Plan coverage by *qualified beneficiaries* who lose coverage as a result of certain *qualifying events* (described below). After a qualifying event occurs and any required notice of that event is properly provided to the Plan Administrator, COBRA coverage must be offered to individuals who lose Plan coverage and are *qualified beneficiaries*.

A *qualified beneficiary* is any of the following who are covered under the Plan on the day before a qualifying event: (1) a covered employee, (2) a covered spouse of a covered employee (including a retired employee), and/or (3) a covered dependent child. In addition, a child born to, adopted by, or placed for adoption with a covered employee during a period of COBRA coverage is considered to be a qualified beneficiary if enrolled in accordance with the terms of the Plan.

You do not have to show that you are insurable to elect COBRA coverage. Under the Plan, however, qualified beneficiaries who elect COBRA coverage must pay for COBRA coverage. Generally, you will have to pay the "applicable premium" (as defined in COBRA) plus a 2 percent administrative fee for your COBRA coverage (and possibly a 50 percent administrative fee during the 11-month disability extension [see "Disability Extension of COBRA Coverage," below]). The "applicable premium" is the total cost of coverage without regard to any employer contributions, as determined in accordance with COBRA. The first COBRA premium is due 45 days after the date that you make your COBRA coverage election. All subsequent premiums are due the first day of each month with a 30-day grace period by which a complete premium must be made.

The law also requires that, at the end of the 18-, 29-, or 36-month COBRA coverage period, you must be allowed to enroll in an individual conversion health plan provided under the current group health plan, if the plan provides a conversion privilege.

QUALIFYING EVENTS

If you are a covered employee, you may elect COBRA coverage if you lose coverage under the Plan because of either one of the following qualifying events: (1) your hours of employment are reduced; or (2) your employment ends for any reason (other than gross misconduct on your part).

If you are the covered spouse of a covered employee (including a retired employee), you may elect COBRA coverage if you lose coverage under the Plan because of any of the following qualifying events: (1) the covered employee's hours of employment are reduced; (2) the covered employee's employment ends for any reason (other than his or her gross misconduct); (3) the covered employee dies; (4) the covered employee becomes entitled to Medicare benefits under Part A, Part B, or both; or (5) you and the covered employee divorce or legally separate.

For a covered dependent child of the covered employee, he or she may elect COBRA coverage if he or she loses coverage under the Plan because of any of the following qualifying events: (1) the covered employee's hours of employment are reduced; (2) the covered employee's employment ends for any reason (other than his or her gross misconduct); (3) the covered employee dies; (4) the covered employee becomes entitled to Medicare benefits under Part A, Part B, or both (typically, this will not be a qualifying event for covered dependent children of covered employees due to the Medicare Secondary Payer rules); (5) the covered employee and his or her spouse divorce or legally separate; or (6) the covered dependent child ceases to be eligible for coverage under the Plan as a "dependent child." Note: if coverage for a spouse or dependent child is dropped in anticipation of a qualifying event (as determined at the sole discretion of the Plan Administrator), the spouse or dependent child whose coverage was dropped (e.g. during annual enrollment) may still qualify for COBRA coverage beginning with the qualifying event provided that the notice requirements described below are satisfied.

You may also have a right to elect COBRA coverage if you are covered under the Plan as a retired employee, a covered spouse of a retired employee, or a covered dependent child of a retired employee, and lose retiree coverage as a result of the employer's commencement of proceedings under Title 11 (bankruptcy), United States Code.

NOTICE OF QUALIFYING EVENTS

PALM BEACH CTY BOARD OF CTY COMM is obligated to notify the Plan Administrator of the occurrence of these qualifying events: (1) the reduction in hours of an employee's employment; (2) the termination of the employee's employment (for reasons other than his or her gross misconduct); (3) the death of the employee; (4) the commencement of proceedings under Title 11 (bankruptcy), United States Code with respect to the employer (in the case of retiree coverage only); or (5) the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For the other qualifying events (i.e., divorce or legal separation of the employee and a covered dependent child losing eligibility for coverage under the Plan as a "dependent child"), a COBRA election will be available to you *only if you notify the Plan Administrator* in accordance with the Plan's notice procedures within 60 days of the later of (1) the date of the qualifying event; and (2) the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the qualifying event. If you fail to provide a timely qualifying event notice in accordance with the Plan's notice procedures, the qualified beneficiaries will lose their right to a COBRA election.

ELECTING COBRA COVERAGE

When the Plan Administrator (or its designated COBRA administrator) is notified that one of these events has happened, notice of your right to elect COBRA will be provided.

Each qualified beneficiary has an independent right to make a COBRA election. That means that a covered employee may elect COBRA coverage on behalf of his or her covered spouse, and parents or legal guardians may elect COBRA coverage on behalf of their children. However, a covered employee may not waive COBRA coverage for a covered spouse or an adult covered dependent child (if the spouse or adult covered dependent child is a qualified beneficiary).

Under the law, you will have 60 days from the later of the date you would lose coverage under the Plan or the date the COBRA Election Notice is provided. If you do not elect COBRA coverage, your group health coverage will terminate in accordance with the terms of the Plan and you will lose your right to COBRA coverage.

DURATION OF COBRA COVERAGE

Unless specifically stated otherwise in the applicable SPD, COBRA coverage is measured from the date of the qualifying event, even if coverage is not immediately lost.

In the case of a loss of coverage due to the covered employee's termination of employment or reduction in hours of the covered employee's employment, COBRA coverage may generally last for up to 18 months. In the case of all other qualifying events, COBRA coverage may last for up to 36 months. If the covered employee becomes entitled to Medicare benefits (under Part A, Part B, or both) less than 18 months before a qualifying event that is a termination or reduction in hours of employment, COBRA coverage for qualified beneficiaries (other than the employee) who lose coverage as a result of the qualifying event can last up to 36 months from the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which her employment terminates, COBRA coverage for her spouse and children who lost coverage as a result of her termination of employment can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months).

COBRA coverage under a Health Flexible Spending Account ("Health FSA") may only last through the end of the plan year in which the qualifying event occurs (unless stated otherwise in the group health plan SPD). In addition, you may not be able to elect COBRA coverage if the reimbursement available at the time of the qualifying event is less than the COBRA premium required to continue coverage through the end of the plan year.

The COBRA periods described above are maximum coverage periods. The law provides that COBRA coverage may be terminated prior to the end of the maximum coverage periods described in this notice for any of the following reasons: (1) the employer/former employer no longer provides any group health coverage to any of its employees; (2) the premium for COBRA coverage is not paid in a timely manner; (3) you first become, after electing COBRA coverage, covered under any other group health plan (as a covered employee or otherwise) which does not contain any applicable exclusion or limitation with respect to any preexisting condition (NOTE: there are limitations on plans' imposing a preexisting condition exclusion and such exclusions are prohibited starting with plan years that begin in 2014); or (4) you first become, after electing COBRA coverage, entitled to Medicare benefits (under Part A, Part B, or both).

There are two ways in which the 18-month COBRA period of coverage resulting from a covered employee's termination of employment or reduction in hours of employment may be extended. (NOTE: The period of COBRA coverage under a Health FSA generally cannot be extended beyond the end of the plan year.)

DISABILITY EXTENSION OF COBRA COVERAGE

If a qualified beneficiary is determined by the Social Security Administration to be disabled under Title II or XVI of the Social Security Act and you notify the Plan Administrator (or its designated COBRA administrator, as set forth in the COBRA Coverage Election Notice) in a timely fashion, all qualified beneficiaries who are receiving COBRA coverage because of a qualifying event that was the covered employee's termination of employment or reduction in hours of the employee's employment may be eligible to continue coverage for an additional 11 months of COBRA coverage (for a total of 29 months). This disability must have started at some time prior to or within the first 60 days of the COBRA coverage period and must last at least until the end of

the period of COBRA coverage that would be available without the disability extension (generally 18 months, as described above).

The disability extension is available only if you notify the Plan Administrator (or its designated COBRA administrator, as set forth in the COBRA Coverage Election Notice) of the Social Security Administration's determination of disability within 60 days after the latest of: (1) the date of the determination of disability by the Social Security Administration; (2) the date of the covered employee's termination or reduction in hours of the covered employee's employment; (3) the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the plan as a result of the covered employee's termination or reduction in hours of the covered employee's employment; or (4) the date that you receive this notice or the SPD. Notwithstanding the 60-day period, you must provide notice of the Social Security Administration's determination of disability prior to the end of the 18-month continuation period (irrespective of when the 60-day period would otherwise end).

The employer can charge up to 150 percent of the applicable premium during the 11-month extension in most circumstances. The disabled individual must notify the employer within 30 days of any final determination that he or she is no longer disabled. If COBRA coverage is extended to a total of 29 months, extended COBRA coverage will cease on the first day of the month that begins more than 30 days after the Social Security Administration's notice that the qualified beneficiary is no longer disabled.

SECOND QUALIFYING EVENT EXTENSION OF COBRA COVERAGE

If a qualified beneficiary who is a covered spouse or covered dependent child experiences another qualifying event during the first 18 months of COBRA coverage (because of the covered employee's termination of employment or reduction in hours of the covered employee's employment) or during an 11-month disability extension period (see "Disability Extension of COBRA Coverage," above), this qualified beneficiary receiving COBRA coverage may receive up to 18 additional months of COBRA coverage (for a total of 36 months from the original qualifying event), if notice of the second qualifying event is provided in accordance with applicable notice procedures (see "Notice Procedures for Qualified Beneficiaries," below).

This extension may be available to the covered spouse and any covered dependent children receiving COBRA coverage if the employee/former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated, or if the covered dependent child stops being eligible under the Plan as a "dependent child," *but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.*

SPECIAL RULES FOR LEAVES OF ABSENCE DUE TO SERVICES IN THE UNIFORMED SERVICES

If a covered employee takes a leave of absence to perform services in the Uniformed Services (as addressed in the Uniformed Services Employment and Reemployment Act [USERRA]) that is expected to last 31 days or more, the covered employee may be able to continue health coverage for the employee and any covered dependents until the earlier of 24 months from the date the leave began or the date that the employee fails to return to or apply for work as required under USERRA. The cost to continue this coverage for periods lasting 31 days or more is 102 percent of the applicable premium. The USERRA continuation period will run concurrent with the COBRA period described herein. Notwithstanding anything to the contrary in this notice, the rights described in this notice apply only to the COBRA continuation period. Continuation of coverage following a military leave of absence covered under USERRA will be administered in accordance with the requirements of USERRA.

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact **Palm Tran/Human Resources Department Tel: 561-841-4237.**

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

NOTICE REGARDING WELLNESS PROGRAM

The Palm Beach County Board of Commissioners Employee Wellness Program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for glucose, total cholesterol, and HDL cholesterol. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of \$25 for participation in the biometric screening and \$25 for completion of the HRA via a paycheck credit. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive up to a \$50 paycheck incentive.

Additional incentives of raffles prizes may be available for employees who participate in certain health-related activities such as educational seminars, fitness classes, wellness challenges, etc. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Joanna Matwiejczuk at (561) 233-5451.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as invitations to participate in personal health coaching programs with a third-party medical insurance administrator. You also are encouraged to share your results or concerns with your own doctor.
