Safeguard your physical & financial health
with supplemental insurance

Review your supplemental benefit options and protect yourself and your family from unforeseen medical cost, diagnosis, and emergencies.

Medical emergencies are unpredictable and expensive, and your employer health plan, or private health insurance may only cover a portion of the costs. Our supplemental health policies offer benefits to help protect your family financially from the high cost of hospital stays, critical illnesses, injuries, & more.

How would a hospital stay, or illness affect you financially?

Beware of these common out-of-pocket expenses:

» **Deductible.** Before your major medical insurance starts paying benefits, you must meet your deductible.

» **Copays.** These are fixed amounts you pay for covered services after you meet your deductible.

» **Travel to and from where you receive care:** Receiving care for serious illnesses, such as cancer, may require you to seek treatment at facilities not in your local area.

» **Everyday expenses.** Bills and expenses don’t stop when you’re unable to work due to an injury.

We offer many coverage options to fit your needs, including ones that cover:

- **Hospital stays**
- **Emergency room or urgent care visits**
- **Doctor appointments, surgeries, lab tests & more**
- **Cancer & accidental injuries**

Be assured...we've got you covered.

Representatives will be at each work location in November.
