Palm Tran hosts commencement ceremonies to mark the achievements of new bus operators and officially welcome them to the team. Each graduate undergoes a six-week program of vigorous classroom work, American with Disabilities Act (ADA) training and on-the-field lessons with an instructor. It is the added emphasis on core values and concentration on safety and customer service that truly transforms a driver into a Palm Tran bus operator.

## Palm Tran Is Improving Bus Shelters

Artist Rendition

A strategic effort will be made throughout Palm Beach County to assess the state of bus stops and identify which shelters need improvement. Many new shelters will also be added along highly traveled routes and riders will benefit by having a clean, shaded area to wait for the bus. The additional curb appeal of new street furniture will also be used to attract new riders.
